

## Personality Disorder (GradCert)

University of the West of Scotland

### Venues

Lanarkshire Campus  
Off campus

### Content

There has been a significant shift in the current and future provision of care and support for people with personality disorder and those who work with them. You will have the opportunity to develop specialised knowledge about the needs of the people in a variety of settings.

You will be taught by lecturers with a wide range of knowledge about personality disorder from diverse perspectives. In addition, an important contribution will be made from clinical experts in the School of Forensic Mental Health (SoFMH) and the health sector across Scotland.

### Start Date

September

### Qualification

Postgraduate Certificate

### Study Method

Part time (day)

### Course Length

1 year
