Content

This programme brings together the disciplines of history and archaeology through the study of a specific region, the Highlands and Islands of Scotland

If you have an interest in developing transferable skills in the study of regional pasts, specifically of the north and west of Scotland, the MLitt History and Archaeology of the Highlands and Islands has been designed for you.

Combine two subjects - history and archaeology - in a unique way, towards understanding the past of the Highlands and Islands.

You can exit after 6 months with PgCert History and Archaeology of the Highlands and Islands
