Content

The BA (Hons) Scottish History and Theology, led by expert staff at Highland Theological College UHI and the UHI Centre for History, provides a distinctive study opportunity by combining two different but complementary subjects.

The history element provides a thorough examination of Scotland's place in history in relation to Britain, Europe and the wider world. The theology element provides for the study of all the main traditions, although Highland Theological College UHI stands in the evangelical and Reformed tradition of Christian theology.
