Content

If you are a manager in a care setting this Continuing Professional Development (CPD) award can help you in your career development. It is designed to meet the registration requirements set by the Scottish Social Services Council (SSSC) for managers.

The PDA Leading and Managing Care Services is particularly suited to staff who already hold an approved care qualification. The award can be completed within 12 months and a student adviser will provide ongoing support throughout your studies.

The programme includes a mandatory induction and tutorials which are highly recommended.

Candidates need to have had good experience in the care sector. Ideally, candidates should be working in a supervisory or management position.
