

## Biomedical Engineering

University of Glasgow

### Venues

Gilmorehill Campus

### Content

The Masters in Biomedical Engineering is an interdisciplinary programme that will equip you for employment within the biomedical engineering sector. This programme addresses all the key aspects of biomedical engineering.

### Start Date

September

### Qualification

Postgraduate Master's

### Study Method

Full time

### Award Title

MSc

### Course Length

12 months

### Faculty

College of Science and Engineering

### Department

Engineering

### Entry Requirements

Entry requirements for postgraduate taught programmes are normally a 2.2 Honours degree or equivalent, in a relevant subject unless otherwise specified. Additionally, a sound understanding of programme relevant core engineering principles, such as mathematics, is expected and must be demonstrated in a 2.1 or equivalent in core subject components from your Honours degree.
