

Economics

University of Glasgow

Venues

Gilmorehill Campus

Content

This two-year programme provides rigorous mathematical training in modern economics. It will equip you with a thorough understanding of the research tools and techniques, both theoretical and empirical, required for the analysis of economics.

Start Date

September

Qualification

Postgraduate Master's

Study Method

Full time

Award Title

MRes

Course Length

24 months

Faculty

College of Social Sciences

Department

Economics

Entry Requirements

2.1 Honours degree or non-UK equivalent in economics or related subject with substantial technical component (e.g. mathematics, statistics, physics, engineering).

You will also need to submit a personal statement which clearly evidences a strong desire to pursue an academic career in economics and show evidence of exposure to multivariable calculus, matrix algebra and basic probability/statistics.

SCQF Level

11

Address

Glasgow
