Content

Enhance your career with the HNC Accounting SCQF Level 7. Gain practical skills in financial management, bookkeeping, and taxation, preparing you for roles in accounting and finance. Ideal for those looking to progress in the industry, this qualification offers hands-on learning and industry recognised expertise.

You will study:

Financial Accounting: Learn to prepare and analyse financial statements for businesses.

Management Accounting: Explore cost accounting, budgeting, and performance evaluation.

Business Law: Understand the legal framework within which businesses operate.

Economics: Gain insights into how economic factors impact businesses and decision-making.

IT in Accounting: Develop skills in using accounting software such as Sage and Excel.

Communication and Professional Development: Build effective communication skills for presenting financial information.
