Content

The demand for strong business-minded graduates is high and, through digital and social changes, the industry is growing. We aim to give you the skills you will need to thrive in your chosen career. Business HND will give you an advanced understanding of the business world and you will learn valuable administrative skills which are required in the industry. This course was uniquely designed with employers and universities in mind and will ensure you are qualified to progress onto further study or into a rewarding career.

You will study a wide range of core business subjects such as; accounting, economics, managing people, IT, business law, the financial sector, human resource management and international marketing.
