

Energy Engineering (Advanced entry)

UHI North Highland

Venues

Thurso Campus
Virtual Learning Environment (VLE)

Content

If you are interested in the role energy has to play in the future of engineering the BEng (Hons) Energy Engineering degree is for you. This Honours degree has been designed to meet the needs of the industry ensuring you will be highly employable after graduation.

You will explore both conventional energy systems and renewable energy technologies. You will also undertake an engineering project, which will showcase your skills and knowledge in solving an industry-related problem to prospective employers.

Start Date

September, January

Qualification

Degree

Study Method

Part time (day)

Award Title

BEng Hons

Course Length

6 years

Department

Energy, Engineering and Construction

Entry Requirements

HNC Engineering Systems or relevant HNC

SCQF Level

10
