Content

This course offers a well-balanced blend of theory and practice and uses various teaching methods such as group work, discussion, case studies and independent learning to prepare you for a rewarding career in social care. You'll spend two days per week in college and an additional two days in a work placement.

The skills you'll develop and practical experience you'll gain will ensure you're ready for real world challenges. This course not only opens doors to various job opportunities, such as a Social Work Assistant or in social care support, but it also lays the foundation for progression to university.
