

Acting and Performance

Dundee and Angus College

Venues

Gardyne Campus

Content

This hugely popular practical and engaging course aims to develop professional skills in acting, devising and theatre making. The course includes Units in: Acting; Acting for Camera; Voice; Movement; Creating Devised Theatre and Shakespeare.

You will have the opportunity to perform a full-length text based production, with full technical support, for 3 nights at The Space, our own purpose built Theatre. Alongside this, you will participate in a unique devised ensemble piece, creating work in a collaborative and supportive environment.

Additional opportunities through the year include: theatre trips and collaborative projects across the performing arts, as well as visits from industry professionals.
