

Engineering Systems

Edinburgh College

Venues

Midlothian Campus

Content

This course will enhance your knowledge and understanding of engineering principles and systems. You will study units such as Electrical Principles and Mathematics which, upon completion, will allow you direct progression onto our HNC Engineering Systems course. This course is the first step towards your future career in the engineering industry.

Content:

Electrical principles; Mechanical principles; Thermofluids; Dynamics; IT; CAD; Graphical communications; Materials; Mathematics.

Start Date

August

Qualification

NC

Study Method

Full time

Course Length

1 year

Department

Engineering

Entry Requirements

National 5 English and Maths.

SCQF Level

6

SCQF Points
