

Access to Life Sciences (SWAP)

Edinburgh College

Venues

Sighthill Campus

Content

Life Sciences Access is a steppingstone to further education at a university level. You will develop your knowledge and understanding in subjects such as Biology, Chemistry and Mathematics.

The college's science department offers you the opportunity to study in purpose-built laboratories. These will support the development of your general and specialist practical skills whilst enhancing your theoretical understanding of science.

You will cover a range of National 5 and Higher Level subjects such as: Biology, Chemistry, Maths and Information Technology, Preparation for Higher Education.
