

## Electronic and Electrical Engineering

Edinburgh Napier University

### Venues

Merchiston Campus

### Content

In year one the course focuses on learning engineering principles and practices, as well as computing skills and principles of design, relating to a wide range of engineering disciplines.

You will then progress on to further develop knowledge in the principles of the field and engineering management. You will implement practical solutions across a range of applied applications and develop your skills in lateral problem solving and innovative thinking.

In your final year you will work on your MEng dissertation as well as gaining enhanced skills in areas of digital signal processing, communication electronics and distributed power systems.

### Start Date

September

### Qualification

Degree

### Study Method

Full time

### Award Title

MEng

### UCAS Code

H6H0

### Course Length

5 years

### Department

Engineering

### Entry Requirements

2022 entry requirements

Standard entry:

4 Highers at ABBB including Maths and a science subject (excluding Biology) or technological subject.

Widening access entry:

4 Highers at BBBC including Maths and a science subject (excluding Biology) or technological subject at B.

For entry to year 2 you must have 3 Advanced Highers at BBB including Maths and a science subject (excluding Biology) or technological subject.

## SCQF Level

11
