

# Chemical Process Technology

Forth Valley College

## Venues

Falkirk Campus

## Content

This course combines the theoretical aspects of Chemistry and Chemical Engineering, with the principles and practices relevant to the modern chemical and process industries.

You will study: Principles of Chemical Engineering; Process Chemistry; Laboratory Skills; Chemistry.

## Start Date

August

## Qualification

HNC

## Study Method

Full time

## Course Length

1 year

## Department

Engineering

## Entry Requirements

2 Highers including Chemistry + 4 subjects at National 5 including English and Maths; or relevant national qualifications at SCQF Level 6. Interview and a group task.

## SCQF Level

7

## Progression Routes

Year 1 or year 2 of a related degree programme in Chemistry or Chemical Engineering or HND year 2.

## Address

Grangemouth Road  
Falkirk  
FK2 9AD
