

## Moving on to Independence

Glasgow Clyde College

### Venues

Cardonald Campus

### Content

This course is for young people who require additional support for learning and wish to develop their skills and knowledge, to progress to an appropriate future option, which may include opportunities with other agencies, volunteering or supported/ open employment.

Learning to work with others is an important element of the course and is encouraged through projects and activities. Students will participate in work experience placements within the college and these are an excellent way of preparing for supported employment or volunteering.

You may complete the following units:

Preparation for Adulthood; Employability skills; Communication and Numeracy; Enterprise Activity; Practical Cooking Skills; Interpersonal Skills; Workplace Experience; Planning my Future; Information Technology.

### Start Date

August

### Qualification

NQ
