Content

This course will prepare you for employment by giving you the essentials skills, knowledge and understanding of current workplace practice, legislations, policies and frameworks required to work within in a childhood practice setting.

Upon completion, candidates are eligible to register with the Scottish Social Services Council (SSSC) at practitioner level. This course provides a great opportunity to gain a nationally and professionally recognised group award.

Subjects include:

Protection and participation; Contemporary issues for children and families; Promoting language, literacy and numeracy in early education and childcare; Working with those who have additional support needs; How to understand/support child behaviour; Rights and provision.
