Access to Biological and Chemical Sciences (SWAP)

Glasgow Clyde College

Venues

Langside Campus

Content

Ready to take the next step toward an exciting future in science? If you've been away from education for a few years, the Access to Biological and Chemical Sciences course, delivered in partnership with SWAP, is designed to help you succeed. This supportive and inspiring programme gives you a strong foundation in Biology and Chemistry at Higher level, plus Physics and Maths at National 5 level—everything you need to confidently progress to a life science degree at university or a relevant HNC. Alongside academic learning, you'll receive dedicated guidance to build your confidence, strengthen core skills, and prepare for the rewarding journey ahead.

Subjects include: Biology (National 5 and Higher Units); Chemistry (National 5 and Higher Units); Maths (National 5 Units); Physics (National 5 Units); Communications (Higher).

Start Date

August

Qualification

Access to FE/HE

Study Method

Full time
