

## Access to Biological and Chemical Sciences (SWAP)

Glasgow Clyde College

### Venues

Langside Campus

### Content

If you're interested in pursuing a new career in science and you've been away from education for 3-5 years, Access to Biological and Chemical Sciences, run in partnership with SWAP, might be for you.

You'll get a good grounding in biology, chemistry at Higher level and physics and Maths at National 5 level. This will give you the skills and knowledge you'll need to apply to the first year of a life science-related degree or a relevant HNC. Not only that, but the course also offers intensive guidance to help you develop confidence, core skills and get the most out of your higher education journey.

Subjects include: Biology (National 5 and Higher Units); Chemistry (National 5 and Higher Units); Maths (National 5 Units); Physics (National 5 Units); Communications (Higher).

### Start Date

August

### Qualification

Access to FE/HE

### Study Method

Full time

### Course Length

1 year

### Department

Science

### Entry Requirements

No formal entry requirements. Applicants will usually have been out of full time education for at least 2 years and be able to demonstrate an aptitude for science. You will be invited to attend an interview.

### SCQF Level

6
