

Access to Biological and Chemical Sciences (SWAP)

Glasgow Clyde College

Venues

Anniesland Campus
Langside Campus

Content

Access to Biological and Chemical Sciences is run in partnership with the Scottish Wider Access Programme (SWAP) and is designed for adults who have been away from education, typically for two years or more. You will be introduced to a range of science subjects to develop the skills and knowledge required for application to first year of a university degree programme or to a relevant HNC course at SCQF Level 7.

Subjects include: Biology (Higher Units); Chemistry (Higher Units); Maths (National 5 Units); Physics (National 5 Units); Communications (Higher); Information Technology.

Assessment will be continuous with a mixture of practical and theoretical assessments. There is no final examination.

Start Date

August

Qualification

NQ

Study Method

Full time

Course Length

1 year

Department

Science

Entry Requirements

No formal entry requirements. Applicants will usually have been out of full time education for at least 2 years and be able to demonstrate an aptitude for science. You will be invited to attend an interview.

SCQF Level

6
