Content

As people live longer, demand for qualified workers in health and social care continues to grow across our region, Scotland and the rest of the developed world.

As a result, there are opportunities for work in nursing, social care, health promotion and related fields across the NHS, local authorities and private sector organisations.

This course is designed to provide you a comprehensive understanding of the challenges and opportunities within the health and social care sectors. You'll also develop essential skills that are highly valued by employers.
