

Mathematics with Statistics

Heriot-Watt University

Venues

Edinburgh Campus

Content

This programme provides comprehensive training in modern, pure, and applied mathematics, accompanied by a strong foundation in key areas of contemporary statistics. Students have the opportunity to engage with both mathematics and statistics courses each year throughout the programme.

Studying mathematics alongside statistics offers a dynamic blend of analytical problem-solving skills and data interpretation, fostering versatile expertise applicable across diverse industries such as finance, research, technology, and decision-making. This combination equips individuals to address complex real-world challenges, making them highly sought after in a wide array of career paths.

Start Date

September

Qualification

Degree

Study Method

Full time

Award Title

BSc Hons

UCAS Code

G1G3

Course Length

4 years

Faculty

School of Mathematical and Computer Sciences

Department

Mathematics
