

Fitness, Health and Exercise (subject to approval)

UHI Perth

Venues

Main Campus

Content

The HND Fitness, Health and Exercise is designed to build on the HNC award and develop your skills and knowledge. You will advance your study of fitness, health and exercise activities and related areas and specifically increase awareness of the interdisciplinary nature of fitness and health and develop an understanding of the need to involve participants fully in their own fitness and health development.

You will be able to give ownership of programmes to individuals; enabling optimum customer service and develop and apply transferable exercise skills with specific populations.

On completion of this course you will also be eligible to apply to enter the Register of Exercise Professionals (REP) at Level 3 therefore better preparing you for employment in the industry.
