Content

The BSc (Hons) Adventure Performance and Coaching brings a unique focus on sports science to the domain of adventure coaching. You will combine the skills and knowledge of the applied sports scientist with those of a modern adventure professional in ever-changing outdoor environments, drawing on expertise from the School of Adventure Studies and across UHI partner colleges.

This programme will provide you with an in-depth knowledge and understanding of the key elements of sports science, while teaching you to apply them to the outdoor and adventure environment – all underpinned by a growing and deepening understanding of the meaning of ‘adventure’.
