

## Musical Theatre

Perth College UHI

### Venues

Main Campus

### Content

If you are interested in a career in the musical theatre and performing arts industries, or within community arts, then this course is ideal.

The course will prepare you to cope with the demands of current professional practice and will develop your skills in singing, dancing and acting through a range of performance opportunities and training.

Working in tandem with students on the HNC Technical Theatre, you will also gain an understanding of the complete production process and develop your collaborative skills.

On successful completion, you will have the necessary skills for employment within semi or professional theatre companies or to conceptualise local or national community arts programmes.
