Content

Moving On could be the right course for you if you are facing a challenging transition and would benefit from learning in a small, supported class. The course is aimed at 15–17-year-olds who may have faced challenges at school. Applicants may have had a poor attendance record and need an enhanced transition period before moving into further learning. This is a well-supported course with a Student Development Worker and is based in one area of the college.

Entry Requirements

There are no formal entry requirements, however you must be willing to work in a group and want to develop your personal and social skills. A link course is offered to interested students in January, so you may be able to attend a session before you start your full-time programme. Please contact the college to discuss entry to this programme.

You must be able to travel independently or make your own arrangements for travel.
