

Art History and Visual Cultures

Open University in Scotland

Content

This degree will equip you with the knowledge and critical skills to investigate works of art, images, objects and architecture, from the local to the global and from prehistory to the present. Through your studies, you'll explore the place of art history and visual cultures in the wider humanities and as a component in the creative and cultural industries, while also developing transferable skills in visual literacy, critical thinking, and communication. This will be a rich and rounded experience as you discover the power of images and works of art to influence debates and shape everyday life.
