Our Bachelor of Laws, the UK’s most popular law degree, provides a strong foundation for a successful legal career. You can tailor your study to match your goals – whether pursuing an academic law degree, fulfilling the 'Foundations of Legal Knowledge' required to become a barrister in England and Wales, a solicitor or barrister in Northern Ireland, or a degree that provides a foundation to take the first assessment (SQE1) of the Solicitors Qualifying Examination in England and Wales. On completion, you'll have the legal knowledge and analytical skills needed to apply the law effectively in legal and non-legal professions.

Please note, this degree is not suitable for qualification as a lawyer in Scotland.
