# Language Studies

Open University in Scotland

## Content

Languages connect people, ideas and cultures, and this diploma will equip you to communicate in different languages, develop your cultural understanding, and explore the structure and use of language in different contexts. Starting with a broad grounding in the study of language, you'll study either two modern languages – choosing from French, German and Spanish – or combine one with English. By the end of your studies, you'll be able to engage successfully in a variety of linguistic environments – opening doors to other cultures and communities and exciting career opportunities.
