Social Sciences

Open University in Scotland

Content

In this diploma you'll discover how social scientists answer some of today’s most pressing questions, and how they find evidence to test their ideas and theories. Through investigating topics such as consumption, parenting, and globalisation you'll explore the way our lives are shaped by individuals, groups and institutions By the end of your studies, you’ll have changed the way you look at the world forever and you’ll have gained a range of valuable analytical and evaluative skills, opening up employment opportunities in private, public and voluntary sector organisations.

Start Date

October, February

Qualification

DipHE

Study Method
