

## Language Studies

Open University in Scotland

### Content

Learning a language connects you with people, cultures and ideas. This certificate offers a flexible introduction to language study, helping you build confidence and develop key study skills while exploring how languages work and what they reveal about culture and communication. You can choose French, German or Spanish at beginner and intermediate levels, or explore the intersection of language, linguistics and culture. By the end of the course, you'll have progressed well beyond the basics in at least one of your chosen languages, gained the confidence to use it in real-world contexts, and be ready for further study.

### Start Date

October

### Qualification

CertHE

### Study Method

Online learning
