

Business Management

Open University in Scotland

Content

Ready to become a future leader, step into a new career, or even launch your own company? This Business Management degree is designed to match your ambitions, equipping you with the knowledge, confidence and essential skills you'll need to make your next career move. You'll learn the building blocks of how businesses operate and the strategies and structures that lead to success. You can tailor your degree to what matters most to you – from general business management to accounting, leadership, or innovation.
