

Education Studies (Primary)

Open University in Scotland

Content

Are you interested in the education of children aged between 3 and 12? Are you thinking about pursuing a career within education or becoming a primary school teacher? This degree will give you a sound foundation for further study relevant to a range of roles within education. You'll develop your understanding of policy and practice in primary education, and gain the knowledge and skills needed to work collaboratively and equitably in a range of settings.
