

Education Studies (Primary)

Open University in Scotland

Content

Ready for a career supporting and shaping young minds? Start your journey towards becoming a primary school teacher or other fulfilling roles within education through our practice-focused primary education studies degree. You'll learn what it takes to educate, support and inspire children from ages 3 to 12 in a range of settings within schools and beyond. It's not essential to be working in a school to study this course. Whether you're already working or volunteering in education or looking at a future career, you'll gain the skills and expertise to make a lasting difference as you inspire the next generation.
