Children and Families

Open University in Scotland

Content

Supporting children and families in the right way can make a real and lasting difference. This certificate is ideal if you want to develop your interest in health and social care in the area of working with children, young people and families. You'll be introduced to key issues relating to the welfare of children and young people, including how health and social care services and practices are organised. This certificate is particularly suited to those already working or hoping to work in paid or voluntary roles in this area, and it offers a strong foundation for further study or work
