

# Computer Science

UHI Shetland

## Venues

Lerwick Campus

Virtual Learning Environment (VLE)

## Content

The HND Computer Science course has been designed to meet the growing needs of IT and computing related sectors, giving you an up-to-date, recognised qualification within the context of an ever-changing employment market.

The range of optional subjects available will allow you to focus on different aspects, perhaps where there is a local demand for particular skills. The inclusion of subjects as cloud computing, convergence technologies, network technology and advanced software development will ensure that your qualification is relevant for the 21st century.

## Start Date

September
