

Health, Fitness and Sports Performance - BASE Mountain Biking (Level 6)

Borders College

Venues

Galashiels/Scottish Borders Campus

Content

Borders Academy of Sporting Excellence Mountain Biking Ride. Learn. Train. Perform.

Ready to take your mountain biking skills and your future to the next level?

Our full time courses combine cutting edge health, fitness, sports science, and coaching with elite mountain biking training, giving you the ultimate platform to succeed both on the trails and in your career.

At Borders College, you will gain a dynamic blend of practical and theory based skills in sports performance, health, fitness, and coaching. This knowledge will prepare you for further study or a career in the thriving sport and fitness industry. At the same time, you'll develop the strength, conditioning, and technical ability to enhance your performance and dominate the trails.

Start Date

August

Qualification
