

Caring for People with Dementia

Borders College

Venues

Galashiels

Content

This unit is designed to develop knowledge and understanding of Dementia and the effects it has on the individual and their Carers.

It will enable candidates to develop awareness of the skills and strategies necessary for the support and care of people with Dementia and their Carers.

Candidates will also explore the role of statutory, voluntary and self-help organisations who support those affected by Dementia.

The purpose of this information is to give you an indication of the content of the course and also the level at which the course is set. Please read the information carefully and if you have any queries please do not hesitate to contact the College.
