

## Educational Leadership

University of Strathclyde

### Content

If you're already in employment and looking for a qualification to enhance your professional practice, this is the course for you. The course will be delivered by a high-quality team of staff, including experts in their fields of study with experience of leadership in educational settings.

The MEd Educational Leadership is part-time blended learning course, designed for professionals working in education, who are already in or want to move into leadership roles.

You'll develop your understanding of leadership, the purposes which educational leadership serves, school improvement, and the international, national and local policy contexts that shape how leadership is enacted.

You'll gain a thorough grounding in research methods and reasoning which will enable you to study an area of specific interest to yourself through a dissertation.
