

Introduction to Psychology

New College Lanarkshire

Venues

Cumbernauld Campus
Motherwell Campus

Content

It is a gentle introduction to theories and ideas put forward by the great thinkers in psychology. It is an ideal introductory unit for people who are interested in why we behave the way we do. You will study theories as well as methods of research and you will look at specific examples of classic research carried out by famous psychologists.

There are three open book assessments to undertake.
