

Introduction to Health and Social Care (Level 4)

North East Scotland College

Venues

Aberdeen City Campus
Fraserburgh Campus

Content

This course will introduce you to the different areas and a variety of people who use the services available in the Health and Social Care sector. It provides an important opportunity for students to develop soft skills and interpersonal skills within a care context.

The course explores how critical it is to provide an effective and efficient provision of care and will enable you to make informed career choices into which area of care you wish to develop.
