Content

If you are inspired by understanding the world around you then BSc (Hons) Geography* is for you. At both local and global levels, many of the main challenges facing the world in the 21st century are related to geography. Studying an exciting mix of physical , environmental and human geography, this course will equip you with the wide range of knowledge and skills needed for the modern workplace.

Field trips are a valuable and memorable part of studying geography and this course includes several day trips in the local area as well as residential field trips in Scotland (you will be required to pay a contribution towards the costs).
