

Essential Skills for Maternity Care Practice (PDA)

Glasgow Clyde College

Venues

Anniesland Campus

Content

This Essential Skills for Maternity Care Practice unit has been designed to enhance the knowledge and skills of health care support workers who already work in a maternity support role.

This unit can be studied as an optional add-on to the PDA Developing Professional Practice in Health and Social Care: Maternity support course or it can be studied as a stand-alone unit.

This unit is also suitable for individuals who have an interest in or would like to work as a maternity support assistant or a doula.
