

Creative Printmaking (2nd year entry)

City of Glasgow College

Venues

City Campus

Content

This course offers you an opportunity to develop your creative talents allowing you to develop traditional and contemporary printmaking, drawing and digital skills. Various printmaking techniques and media are explored and supplemented with technical and creative skills in digital media, drawing, bookbinding and mixed media.

This course combines practical skills with theoretical knowledge and is project based. It is delivered through a series of lectures, practical workshops and activities. You'll produce a portfolio of work that will support entry to employment or degree level courses.
