

Beauty Therapy (2nd year entry)

City of Glasgow College

Venues

City Campus

Content

The course offers a high-level beauty qualification providing you with knowledge of current beauty treatments and techniques. You'll also gain experience using a wide range of products and will gain the skills necessary to secure employment in a variety of settings within the Beauty Industry such as salons, spas and cruise liners.

This year focuses on more advanced treatments, techniques and product ranges as well as business planning, retailing, and gaining employment.

You'll be taught by a highly motivated team with an excellent range of industrial expertise who deliver world-class student focussed learning.
