# Childhood Practice (Level 5)

West Lothian College

## Content

This course is a great starting point if you're interested in working with children and want to build a career in early education and childcare.

Throughout the course, you'll learn about the key aspects of working with young children, including how to create safe, supportive, and fun learning environments.

You'll develop practical skills that are essential for childcare, like effective communication, problem-solving, and teamwork. Plus, you'll gain an understanding of the role of childcare professionals and how they support children's development, health, and wellbeing.

Course content includes:
Child Development; Outdoor Learning; Play; Opportunity for Practical Placement.
