

Introduction to Production Arts (Level 5)

Ayrshire College

Venues

Kilmarnock Campus

Content

Are you captivated by the world of theatre and production? Delve into the art of production with a curriculum that's almost entirely practical, offering hands-on experience and real-world skills.

In 2023, the college partnered with CentreStage Art Academy in Kilmarnock to offer Production Arts and Technical Theatre skills. Hosted at their new campus, you'll have access to top-notch facilities and industry connections.

Content includes:

Scenic art and construction; Lighting design for performance; Stage sound and technology; Research techniques; Digital audio workstations; Stage management; and, Professional development.
