

Persian (Combined)

University of St Andrews

Content

Modern Persian is a creative, flexible language which has established itself as the national language of such geopolitically and economically important countries as Iran, Afghanistan and Tajikistan. It is also spoken in several neighbouring countries and in major migrant communities.

Persian studies at St Andrews emphasise modern language, literature, drama, visual culture and cinema, but students are also given the opportunity to familiarise themselves with classical literary and historical texts.

Start Date

September

Qualification

Degree

Study Method

Full time

Award Title

MA Hons

UCAS Code
