Content

Are you an adult who wants to return to education? Our NQ Adult Return to Study course will help you refresh your basic skills, improve confidence levels and access careers guidance, before applying for further education.

Subjects include: Communication; Numeracy; ICT / Administration; Working with others; Problem solving.

You will also have the opportunity to undertake projects and develop the essential skills required to successfully progress to further study or employment.

A personal development and guidance class is included in the course, providing one-to-one support, to help you progress and meet your full potential. You will also be given support, advice and guidance in planning your future education and career path.

Start Date

August, January

Qualification

NQ
