Content

These qualifications are aimed at practising or aspiring managers who will supervise or manage a team to achieve clearly defined outcomes. They will set and monitor goals and objectives by providing instruction, direction and guidance. Day to day operational and project activities are a key part of their role.

This qualification gives managers the communication and motivational skills to help improve operational efficiency.

The units provide a broader knowledge of skills to help you be more effective in specific management areas, with increased focus on the areas that are most appropriate to you and your workplace.
